

Dear Valued Community Member,

The student presenting you with this form is requesting a donation that will help reduce his or her tuition for a week-long summer program called Young Entrepreneurs Business Week (YEBW).

YEBW is a unique, immersive program designed to provide students with a truly hands-on experience in the key areas of business fundamentals, financial investments, and leadership development. YEBW teaches real world business skills in a fun, challenging and interactive environment. Our ultimate goal is to develop the next generation of business owners, entrepreneurs, and community leaders.

During the YEBW program, students are placed in mock companies, where they create management teams, develop mission statements, and conduct actual operation of their own business by competing in business simulations. However, the instruction goes far beyond the business curriculum. Designed to broaden the practical skill sets of each student, the program incorporates mentors from the business community, professional speakers, and other interactive learning exercises. Graduates come away energized, educated, and with a newfound sense of confidence and purpose.

In order to afford such a tremendous program, this student needs your help! All students are asked to pay a portion of the total cost to participate in the program. This includes all meals for the week, housing in a college dorm, and all program materials. Any amount you can contribute will give this student the opportunity to make it to the program. YEBW is a 501(c)(3) nonprofit organization, which means your support is fully tax deductible.

Thank you for your consideration.

Respectfully,
Kelly O'Brien
Executive Director
Young Entrepreneurs Business Week
